

CV SIMONE MONTANARI

Mr. Simone Montanari, graduated in IT Engineering, began his career in McKinsey.

In 2005 he joined the Piaggio Group where he served, for over ten years until 2014, roles of increasing responsibility in the finance field from Investor Relator to CFO of the Asian area, concluding with Group Planning and Control.

Before re-entering into the Piaggio Group, he worked as Administration, Planning & Control Director in a leading international company active in the online luxury fashion retail business.
