PIAGGIO GROUP: 160 PIAGGIO MP3 SCOOTERS FOR MADRID POLICE

Vehicle supply contract awarded thanks to superior safety, reliability and performance

Milan, 15 March 2017 - The Piaggio Group has been awarded the contract put out for tender by the Madrid city authorities - Environment and Mobility Department - for the supply of new vehicles for the municipal police force.

The important contract is for 160 Piaggio MP3s, the Piaggio Group's innovative three-wheel scooter, of which 132 MP3s in the powerful 500 Business ABS\ASR version to be used by police officers and the remaining vehicles in the MP3 300 Business ABS\ASR version for road patrol officers.

The award of the contract is a new confirmation for the Piaggio MP3, which recently celebrated its tenth anniversary. The scooter was chosen from among the other vehicles on the strength of its **superior stability and safety, performance, reliability, low consumption and ease of use, in traffic and in all weather conditions.**

The scooters have been accessorised with sirens and flashing led front lights, an electric or manual 360° led light, as well as exclusive graphics for immediate recognition.
